

“If man is to survive, he will have learned to take a delight in the essential differences between men and between cultures. He will learn that differences in ideas and attitudes are a delight, part of life's exciting variety, not something to fear.”

SOUTH SUBURBAN DIVERSITY DINNERS

*Celebrating Our Diverse
Roots & Shared Values*

What is Diversity Dinners?

Diversity Dinners started in the late 1990s, where residents of Chicago's south suburban communities gathered in homes annually throughout the region to celebrate its rich diversity.

The goal of these Diversity Dinners was to bring individuals of diverse backgrounds together to promote understanding, increase positive interactions within the community and build respect for our differences.

Although no longer held in homes, Diversity Dinners still continues to promote this goal by bringing community members together for a night of discussion & sharing.

In addition to sharing a meal, guests share their own experiences throughout the night with the other participants at their table.

Moderators will present questions to spark guided conversation. The Diversity Dinners Committee welcomes everyone to come and join us in this celebratory night of friendly dialogue.

Our Mission:

To build positive relationships through cross-cultural communications, while acknowledging our similarities and appreciating our differences
